

Follow the steps below to access your P&A Group HSA plan!

- 1 Go to P&A's website at www.padmin.com. In the login box, select **Participant** as your User Type, and select **Reimbursement Accounts** as your account type.

- 2 Under My Benefits Account Login, enter your P&A Group username and password and click **Submit**. If you are a first time user, click the **First Time Logging In** link. You will be prompted to create a username and password for your account.

TIP: If you press **Enter** on your keyboard instead of **Submit**, it will not work. You must click **Submit**.

- 3 After you've logged into your account, click **Go to HSA Plan** to access your HSA account.
